Catherine the Great (1729 – 1796)

In 1745, after being received into the Russian Orthodox Church, and changing her name to Catherine, she married Grand Duke Peter, grandson of Peter the Great in Russia's western territories.

Here are the five greatest military strategists of all-time.

They mine the historical record—the record of the deeds of great captains—for insight.

You need both doers and thinkers to perpetuate strategic thought—but ultimately, the thinker with
