**Gesture** Steven G. McCafferty 2009-06-02 This book demonstrates the vital connection between language and gesture, and why it is critical for research on second language acquisition to take into account the full spectrum of communicative phenomena. The study of gesture in applied linguistics is just beginning to come of age. This edited volume, the first of its kind, covers a broad range of concerns that are central to the field of SLA. The chapters focus on a variety of second-language contexts, including adult classroom and naturalistic learners, and represent learners from a variety of language and cultural backgrounds. Gesture: Second Language Acquisition and Classroom Research is organized in five sections: Part I, Gesture and its L2 Applications, provides both an overview of gesture studies and a review of the L2 gesture research. Part II, Gesture and Making Meaning in the L2, offers three studies that all take an explicitly sociocultural view of the role of gesture in SLA. Part III, Gesture and Communication in the L2, focuses on the use and comprehension of gesture as an aspect of communication. Part IV, Gesture and Linguistic Structure in the L2, addresses the relationship between gesture and the acquisition of linguistic features, and how gesture relates to proficiency. Part V, Gesture and the L2 Classroom, considers teachers' gestures, students' gestures, and how students' interpret teachers' gestures. Although there is a large body of research on gesture across a number of disciplines including anthropology, communications, psychology, sociology, and child development, to date there has been comparatively little investigation of gesture within applied linguistics. This volume provides readers unfamiliar with L2 gesture studies with a powerful new lens with which to view many aspects of language in use, language learning, and language teaching. **The Tempest (2010 edition)** William Shakespeare 2010-03-04 The Tempest is a popular text for study by secondary students the world over. **The Female Gaze** Alicia Malone 2018-11-15 Support Women in Film with This Perfect Movie Guidebook! “A wonderful guide to some of the best films made by women, both celebrating women directors and fueling the red-hot discussion about why we don’t have more.” –Maria Giese, filmmaker and activist #1 Bestseller in Movies & Video Guides & Reviews With the success of Patty Jenkins’s Wonder Woman, Ava Duvernay’s 13th, and with the rise of the MeToo movement, women creators in film are more important than ever. A woman’s influence on film. You may have heard the term “male gaze,” coined in the 1970s which is about how art and entertainment has been influenced by the male’s perspective. So, what about the opposite? Women have been making movies since the very beginning of cinema. What new ideas, thoughts and aspects can we learn from women in film? What does the world look like through the “female gaze”? All movies made by women. The Female Gaze goes through a historical layout of essential, thought-provoking, and life-altering movies made by women. Past and present films are featured in this book making this guidebook perfect for the movie lover in your life. Jump right into the benefits and perspectives of the female mind. Inspiring biographies of women who make movies. Discover brilliantly talented and accomplished women filmmakers, both world renowned and obscure, who have shaped the film industry in ways rarely fully acknowledged. The Female Gaze also contains multiple mini-essays written by a variety of diverse female film critics. In this book you’ll read about: • The advancements and the accomplishments of numerous women in film • The lives of these women and the struggles they faced in the film industry • How unique women’s voices shaped the films and the film industry If you loved books like Backwards and in Heels, Hope for Film, or Just the Funny Parts, then you’ll love The Female Gaze.

**Stalin's Soviet Justice** David M. Crowe 2020-12-24 From the 'show' trials of the 1920s and 1930s to the London Conference, this book examines the Soviet role in the Nuremberg IMT trial through the prism of the ideas and practices of earlier Soviet legal history, detailing the evolution of Stalin's ideas about the trail of Nazi war criminals. Stalin believed that an international trial for Nazi war criminals was the best way to show the world the sacrifices his country had made to defeat Hitler, and he, together with his legal mouthpiece Andrei Vyshinsky, maintained tight control over Soviet representatives during talks leading up to the creation of the Nuremberg IMT trial in 1945, and the trial itself. But Soviet prosecutors at Nuremberg were unable to deal comfortably with the complexities of an open, western-style legal proceeding, which undercut their effectiveness throughout the trial. However, they were able to present a significant body of evidence that underscored the brutal nature of Hitler's racial war in Russia from 1941-45, a theme which became central to Stalin's efforts to redefine international criminal law after the war. Stalin's Soviet Justice provides a nuanced analysis of the Soviet justice system at a crucial turning point in European history and it will be vital reading for scholars and advanced students of the legal history of the Soviet Union, the history of war crimes and the aftermath of the Second World War.

**Common European Framework of Reference for Languages: Learning, Teaching, assessment** Council of Europe 2020-05-05 The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains: ► an explanation of the key aspects of the CEFR for teaching and learning; ► a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre–A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; ► a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ► promote and support the learning and teaching of modern languages; ► enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ► protect linguistic and cultural diversity in Europe; and ► promote the right to quality education for all. **The Online Informal Learning of English** G. Sockett 2014-09-26 Young people around the world are increasingly able to access English language media online for leisure purposes and interact with other users of English. **Entre nous 3, tout en un méthode de français, B1 : livre de l'élève + cahier d'activités + CD** Neige Pruvost 2018 **Technology-mediated TBLT** Marta González-Lloret 2014-07-15 This volume contributes to the development and advancement of TBLT as a research domain by investigating the intersection between tasks and technology from a variety of theoretical perspectives (e.g., educational, cognitive, sociocultural) and by gathering empirical findings on the design and implementation of diverse tasks for writing, interaction, and assessment with the mediation of technological tools such as wikis, blogs, CMC, Fanfiction sites, and virtual and synthetic environments. The innovative blend of tasks and technology in technology-mediated communication is guided by task-based language teaching and learning principles, and the contexts of study span adult college-level education settings in the United States, Mexico, the Netherlands, and Malaysia. The volume opens up a new framework that the authors call “technology-mediated TBLT,” in which tasks and technology are genuinely and productively integrated in the curriculum according to learning-by-doing philosophies of language pedagogy, new language education needs, and digital technology realities.

**Languages for Social Cohesion** David Newby 2009-01-01 The ECML's Languages for social cohesion programme (2004-2007) involved approximately 4500 language professionals from Europe and beyond. This publication focuses on key developments in language education promoted through the work of the European Centre for Modern Languages of the Council of Europe (ECML). It serves three main functions. Firstly, it summarises the ECML's contributions to fostering linguistic and cultural diversity in European societies. Secondly, it contains the proceedings of the ECML Conference, held in September 2007 at the University of Graz, to communicate the results of this programme to the wider public. Thirdly, it provides a preview of the projects which comprise the next programme of the ECML (2008-2011): 'Empowering language professionals: competences - networks - impact - quality'. In this way the publication both provides an overview of current issues and trends in European language teaching and indicates perspectives for the future.

**Transformative Language Learning and Teaching** Betty Lou Leaver 2021-01-21 A seminal work in the field, this book shows how transformative education can be applied to world language programs.

**Digital Literacies** Nicky Hockly 2014-06-03 Dramatic shifts in our communication landscape have made it crucial for language teaching to go beyond print literacy and encompass the digital literacies which are increasingly central to learners' personal, social, educational and professional lives. By situating these digital literacies within a clear theoretical framework, this book provides educators and students alike with not just the background for a deeper understanding of these key 21st-century skills, but also the rationale for integrating these skills into classroom practice. This is the first methodology book to address not just why but also how to teach digital literacies in the English language classroom. This book provides: A theoretical framework through which to categorise and prioritise digital literacies Practical classroom activities to help learners and teachers develop digital literacies in tandem with key language skills A thorough analysis of the pedagogical implications of developing digital literacies in teaching practice A consideration of exactly how to integrate digital literacies into the English language syllabus Suggestions for teachers on how to continue their own professional development through PLNs (Personal Learning Networks), and how to access teacher development opportunities online This book is ideal for English language teachers and learners of all age groups and levels, academics and students researching digital literacies, and anyone looking to expand their understanding of digital literacies within a teaching framework.

**Extra Bold** Ellen Lupton 2021-06-25 Extra Bold is the inclusive, practical, and informative (design) career guide for everyone! Part textbook and part comic book, zine, manifesto, survival guide, and self-help manual, Extra Bold is filled with stories and ideas that don't show up in other career books or design overviews. • Both pragmatic and inquisitive, the book explores power structures in the workplace and how to navigate them. • Interviews showcase people at different stages of their careers. • Biographical sketches explore individual's marginalized by sexism, racism, and ableism. • Practical guides cover everything from starting out, to wage gaps, coming out at work, cover letters, mentoring, and more. A new take on the design canon. • Opens with critical essays that rethink design principles and practices through theories of feminism, anti-racism, inclusion, and nonbinary thinking. • Features interviews, essays, typefaces, and projects from dozens of contributors with a variety of racial and ethnic backgrounds, abilities, gender identities, and positions of economic and social privilege. • Adds new voices to the dominant design canon. Written collaboratively by a diverse team of authors, with original, handcrafted illustrations by Jennifer Tobias that bring warmth, happiness, humor, and narrative depth to the book. Extra Bold is written by Ellen Lupton (Thinking with Type), Farah Kafai, Jennifer Tobias, Josh A. Halstead, Kaleena Sales, Leslie Xia, and Valentina Vergara.
