Roberts, a widower suffering from insomnia, begins to experience strange visual phenomena and is unable to believe that they are merely hallucinations.

Cell Stephen King

2018-09-20 You can run. You can hide. Just don't pick up . . . The event which propels civilisation into its second dark age is known as The Pulse. The virus is carried by every

cellular phone operating in the world. Within hours, those receiving calls will be infected. Clayton Riddell, an artist and young father, knows he has to reach his son before the boy switches on his phone. But time is running out

. . .

Black Moon Kenneth

Calhoun 2014-03-04 For

fans of The Age of Miracles and The Dog Stars, Black Moon is a

hallucinatory and stunning debut that

Charles Yu calls "Gripping and expertly constructed."

Insomnia has claimed everyone

Biggs knows. Even his beloved wife, Carolyn,

has succumbed to the telltale red-rimmed

eyes, slurred speech and cloudy mind before

disappearing into the quickly collapsing

world. Yet Biggs can still sleep, and dream,

so he sets out to find her. He ventures out

into a world ransacked by mass confusion and desperation, where he meets others struggling against the tide of sleeplessness. Chase and his buddy Jordan are devising a scheme to live off their drug-store lootings; Lila is a high school student wandering the streets in an owl mask, no longer safe with her insomniac parents; Felicia abandons the sanctuary of a sleep research center to try to protect her family and perhaps reunite with Chase, an ex-boyfriend. All around, sleep has become an infinitely precious commodity. Money can't buy it, no drug can touch it, and there are those who would kill to have it. However, Biggs persists in his quest for Carolyn, finding a resolve and inner strength that he never knew he had. Kenneth Calhoun has written a

brilliantly realized and utterly riveting depiction of a world gripped by madness, one that is vivid, strange, and profoundly moving. *Horrorstor* Grady Hendrix 2014-09-23 From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires* comes a hilarious and terrifying haunted house story in a thoroughly contemporary setting: a furniture superstore. Something strange is happening at the Orsk furniture superstore in Cleveland, Ohio. Every morning, employees arrive to find broken Kjerring bookshelves, shattered Glans water goblets, and smashed Liripip wardrobes. Sales are down, security cameras reveal nothing, and store managers are panicking. To unravel the mystery, three employees volunteer to work a nine-hour dusk-

till-dawn shift. In the dead of the night, they'll patrol the empty showroom floor, investigate strange sights and sounds, and encounter horrors that defy the imagination.

The Killer Angels

Michael Shaara

2004-11-02 A reissue of a Pulitzer prize-winning classic, and now the major motion picture GETTYSBURG. As a result of these acclamations, this book is considered one of the greatest novels written on the Civil War.

Cemetery Nights Stephen Dobyns 1991 Stephen Dobyns is a latter-day American surrealist, a spinner of dark, extravagant fables of a world we live or may live in. His poems are peopled with devils and angels, ghostly chickens, distorted mythological figures, God, and the risen dead 'pretending they're

still alive'. The world of Cemetery Nights is haunted by regret, driven by desire and need, illuminated by daring make-believe. In these often frightening and sometimes strangely funny poems, Dobyns

creates a remarkable bridge between pure entertainment and deep psychological insight.

Dead in the Water Nancy Holder 2011-07-13 From Bram Stoker

Award-winning author Nancy Holder comes a chilling novel of horror on the sea. This is how it will be when you drown. . . . At a sun-washed dock in Long Beach, California, the creaky freighter, Morris, loaded with brightly colored boxcars, takes on passengers. Among the vacationers: a disgruntled yuppie couple, a child stricken by cancer, a woman searching for her lost

husband, and a female cop packing a .38 and bitter memories of a boy who drowned before her eyes. In seas of love and blood they will drown, one at a time. And for their company, they will have those who have drowned before them—and those who have received a message in a bottle. . . . Praise for *Dead in the Water* “*Dead in the Water* is saturated with brooding, claustrophobic, hallucinatory menace. Nancy Holder’s vivid voice and sharp characterization make it all real. I’m never going on a boat again!”—Poppy Z. Brite “*Dead in the Water* is an involving and truly frightening book. This is the kind of horror that gets underneath your skin and works its way into your soul. Real terror . . . for those daring enough to take the trip. I enjoyed it

immensely.”—Rick Hautala “Nancy Holder proves why she’s an award-winning author. Eerie—effective—excellent! A chilling combination of *Lifeboat*, *Ship of Fools*, and John Carpenter’s *The Fog*, *Dead in the Water* keeps you treading water with every page, gasping for breath, sucking you under. A nightmare cruise into black waters and terrifying depths.”—Lisa Cantrell “I’d feel safer in the water with *Jaws*.”—Brian Lumley “A nasty tale well told, infused with the eerily surreal quality of fevered nightmares. Discovering Nancy Holder is like finding a vein of true horror gold.”—Cheri Scotch “Man the lifeboats. Don your life jacket. Nancy Holder takes you on a cruise you won’t soon forget. Scary stuff.”—Maxine O’Callaghan “I couldn’t

put it down! A whale of a tale. A page-turner—the first sentence will hook you and what follows will reel you in. Dead in the Water is fast-paced and exciting, mysterious and spooky!”—Chris Curry
“Nancy Holder enshrouds fascinating characters within a chilling atmosphere and creates a relentless tale of terror at sea. Holder is one of my favorite writers.”—Elizabeth Massie

The 500 Hats of Bartholomew Cubbins Dr. Seuss 2013-09-24 As topical today as when it was first published in 1938, this book tells of Bartholomew Cubbins (from Caldecott Honor winner Bartholomew and the Oobleck) and his unjust treatment at the hands of King Derwin. Each time Bartholomew attempts to obey the king’s order to take off his hat, he finds there

is another hat on his head. Soon it is Bartholomew’s head that is in danger . . . of being chopped off! While The 500 Hats is one of Dr. Seuss’s earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in Yertle the Turtle), rivalry (as in The Sneetches), and of course, zany good humor!

Black House Stephen King 2012-11-27 A retired Los Angeles homicide detective living in a rural Wisconsin town, Jack Sawyer is called in to assist the local police chief in solving a gruesome series of murders that causes Jack to experience inexplicable waking nightmares.

Thinner Stephen King 1984 For use in schools and libraries only.

After an old gypsy woman is killed by his car, lawyer Billy Halleck is stricken with a flesh-wasting malady and must undertake a nightmarish journey to confront the forces of death.

Even Cowgirls Get the Blues

Tom Robbins
2003-06-17 "This is one of those special novels—a piece of working magic, warm, funny, and sane."—Thomas Pynchon The whooping crane rustlers are girls. Young girls. Cowgirls, as a matter of fact, all "bursting with dimples and hormones"—and the FBI has never seen anything quite like them. Yet their rebellion at the Rubber Rose Ranch is almost overshadowed by the arrival of the legendary Sissy Hankshaw, a white-trash goddess literally born to hitchhike, and the freest female of them all. Freedom, its prizes

and its prices, is a major theme of Tom Robbins's classic tale of eccentric adventure. As his robust characters attempt to turn the tables on fate, the reader is drawn along on a tragicomic joyride across the badlands of sexuality, wild rivers of language, and the frontiers of the mind. *Desperation* Stephen King
2016-04-26 Stephen King's #1 national bestseller about a little mining town, *Desperation*, that many will enter on their way to somewhere else. But getting out is not easy as it would seem... "I see holes like eyes. My mind is full of them." For all intents and purposes, police officer Collie Entragian, chief law enforcement for the small mining town of *Desperation*, Nevada, appears to be completely insane. He's taken to stopping vehicles along

the desolate Interstate 50 and abducting unwary travelers with various unusual ploys. There's something very wrong here in Desperation...and Officer Entragian is only at the surface of it. The secrets embedded in Desperation's landscape, and the horrifying evil that infects the town like some viral hot zone, are both awesome and terrifying. But one of Entragian's victims, young David Carver, seems to know—and it scares him nearly to death to realize this truth—that the forces being summoned to combat this frightful, maniacal aberration are of equal and opposite intensity.... "A big, serious, scary novel...King is at the top of his game."
—Entertainment Weekly
"Surreal, tragic, scary...Terror that

resonates long after the book is finished." —The Washington Post Book World "Astonishing...[a] deeply moving and enthralling masterpiece!"

—Publishers Weekly (starred review)

Sleepless Charlie Huston
2010-01-12 What LAPD cop Parker Hass wants is a world both safe and just for his wife and infant daughter. But then a plague of insomnia strikes. Working undercover as a drug dealer in a Los Angeles ruled in equal parts by martial law and insurgency, Park is tasked with cutting off illegal trade in Dreamer, the only drug that can give the infected their precious sleep. After a year of lost leads, Park stumbles into the perilous shadows cast by the pharmaceutical giant behind Dreamer. Somewhere in those

shadows a secret is hiding. Drawn into the inner circle of a tech guru with a warped agenda, Park delves deeper into the restless world. His wife has become sleepless, and their daughter may soon share the same fate. For them, he will risk everything. Whatever the cost to himself.

Under the Dome: Part 2

Stephen King 2014-03-25 After an invisible force field seals off Chester Mills, Maine, from the rest of the world, it is up to Dale Barbara, an Iraq veteran, and a select group of citizens to save the town, if they can get past Big Jim Rennie, a murderous politician, and his son, who hides a horrible secret in his dark pantry. Reprint.

Insomnia Stephen Edwin King 1994 Een bejaarde weduwnaar uit een Amerikaans stadje wordt door onnatuurlijke

slapeloosheid klaargestoomd voor zijn bestemming: een gruwelijk bloedbad onder de voor- en tegenstanders van legale abortus voorkomen.

The Tarot of the Bohemians Papus

2019-06-12 To the casual observer, they're just a pack of playing cards. But to initiates, the mysterious figures of the Tarot deck symbolize the keys to ancient wisdom. The 78 cards can be employed to unlock the secrets of the universe and to foretell the future – but only by those who comprehend their esoteric truths. A pillar of occult science, The Tarot of the Bohemians provides a theological element to the work begun by Antoine Court de Gébelin, Etteilla, and Éliphas Lévi, and advanced by A. E. Waite, the distinguished scholar and designer of

the most widely known deck. Geared toward initiates, its topics include an introduction to the study of the Tarot as well as its symbolism and applications. This revised edition includes a Preface by Waite in addition to illustrative plates, charts, and tables.

The Good, the Bad, and Me Eli Wallach 2005 The author recounts his early years in Brooklyn, struggles to become an actor, work with such stars as Marlon Brando and Marilyn Monroe, and role as one of the earliest members of the famed Actors Studio.

Stephen King Short Fiction Stephen King 2021-10-05 Now in one stunning collection, four of Stephen King's most well-loved horror stories: The Mist, Apt Pupil, The Body, and The Sun Dog. Each standalone story is a riveting

master class in short fiction from "the reigning King of American popular literature" (Los Angeles Daily News). In The Mist, terror descends in the wake of a summer storm. David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies and become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on the group's nerves, staying in the store may prove fatal—so, the Draytons, Brent, and a handful of other survivors attempt their escape. But what's out there may be worse than what they left behind. □ Apt Pupil follows Todd Bowden, a top-performing student and all around "good kid" who learns his teacher, Mr. Dussander,

is more than he seems. Turns out, Mr. Dussander is the target of a decades-old manhunt. He's never been caught, and Todd doesn't want to be the one to turn him in. Instead, Todd will face his fears and learn the real meaning of power—and the seductive lure of evil. In *The Body*, it's 1960 in the fictional town of Castle Rock, Maine, and a boy from a neighboring town has vanished. Twelve-year-old Gordie Lachance and his three friends set out on a quest to find his body along the railroad tracks. During the course of their journey, Gordie, Chris Chambers, Teddy Duchamp, and Vern Tessio come to terms with death and the harsh truths of growing up in this iconic, unforgettable, coming-of-age story that was also adapted in the 1986 film classic *Stand by Me*. In *The Sun Dog*,

Kevin Delevan receives the perfect gift for his fifteenth birthday: a Polaroid Sun 660. But no matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, is a dangerous investment... This beautiful boxed set makes the perfect gift for seasoned King fans and newcomers alike—and features impeccably crafted, page-turning stories you'll return to again and again.

The Institute Stephen King 2021-06-29 In the middle of the night, in a house on a quiet

street in suburban Minneapolis, intruders silently murder Luke Ellis' parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these

children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from The Institute.

Insomnia Sarah

Pinborough 2022-04-12

"If you loved Behind Her Eyes, prepare to be totally and utterly blown away by Insomnia. Sarah Pinborough is a twisted genius." –Lisa Jewell In the dead of night, madness lies... Emma Averell loves her life—her high-powered legal career, her two beautiful children, and her wonderful stay-at-home husband—but it wasn't always so perfect. When she was just five years old,

Emma and her older sister went into foster care because of a deeply disturbing incident with their mother. Her sister can remember a time when their mother was loving and "normal," but Emma can only remember her as one thing—a monster. And that monster emerged right around their mother's fortieth birthday, the same milestone Emma is approaching now. Emma desperately wants to keep her childhood trauma in the past, but as she stops being able to sleep, she also can't stop thinking about what happened all those years ago. Is the madness in her blood? Could she end up hurting her family in her foggy, half-awake state, just like her mother? Or is there another explanation for the strange things that keep happening around her? Emma must unravel the dark strands of her

past to protect the people she loves... or risk losing it all, including her sanity. "Insomnia is the twistiest and most gripping thriller since Paula Hawkins' *The Girl on the Train*, an absolute must-read for suspense fans." – Joe Hill

The Little Sisters of Eluria Stephen King
2019-03-05 Enter once more the world of Roland Deschain—and the world of the Dark Tower...presented in a stunning graphic novel form that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. "The man in black fled across the desert, and the gunslinger followed." With these unforgettable words, millions of

readers were introduced to Stephen King's iconic character Roland Deschain of Gilead. Roland is the last of his kind, a "gunslinger" charged with protecting whatever goodness and light remains in his world—a world that "moved on," as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series adaptation Stephen King's *The Dark Tower: The Gunslinger*, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself,

the full story of Roland's troubled past and ongoing saga is revealed. Sumptuously drawn by Richard Isanove, Sean Phillips, Luke Ross, and Michael Lark, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *The Gunslinger* adaptation is an extraordinary and terrifying journey—ultimately serving as the perfect introduction for new readers to Stephen King's modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures transformed from his blockbuster novels. Now near death following a vicious attack by the Slow Mutants, Roland Deschain is taken in by a group of nuns who specialize in anything but the healing arts. These

hideous, corpse-like creatures—the Little Sisters of Eluria—have murder on their twisted minds. And in his current condition, there's almost nothing that the last gunslinger can do to prevent their tender mercies from taking hold...

Sleep Donation Karen Russell 2020-09-29 Newly illustrated and available for the first time in years, a haunting novella from the uncannily imaginative author of the national bestsellers *Swamplandia!* and *Orange World: the story of a deadly insomnia epidemic and the lengths one woman will go to to fight it.* Trish Edgewater is the Slumber Corps' top recruiter. On the phone, at a specially organized Sleep Drive, even in a supermarket parking lot: Trish can get even the most reluctant healthy

dreamer to donate sleep to an insomniac in crisis--one of hundreds of thousands of people who have totally lost the ability to sleep. Trish cries, she shakes, she shows potential donors a picture of her deceased sister, Dori: one of the first victims of the lethal insomnia plague that has swept the globe. Run by the wealthy and enigmatic Storch brothers, the Slumber Corps is at the forefront of the fight against this deadly new disease. But when Trish is confronted by "Baby A," the first universal sleep donor, and the mysterious "Donor Y," whose horrific infectious nightmares are threatening to sweep through the precious sleep supply, her faith in the organization and in her own motives begins to falter. Fully illustrated with dreamy evocations of Russell's

singular imagination and featuring a brand-new "Nightmare Appendix," Sleep Donation will keep readers up long into the night and long after haunt their dreams.

The Sun Dog Stephen King
2018-12-04 #1 New York Times bestselling author Stephen King's novella *The Sun Dog*, published in his award-winning 1990 story collection *Four Past Midnight*, now available for the first time as a standalone publication. The dog is loose again. It is not sleeping. It is not lazy. It's coming for you. Kevin Delevan wants only one thing for his fifteenth birthday: a Polaroid Sun 660.

There's something wrong with his gift, though. No matter where Kevin Delevan aims the camera, it produces a photograph

of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film as if it intends to break through. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the *Sun Dog*, a beast that shouldn't exist at all, turns out to be a very dangerous investment. *Bitter Medicine* Stephen King 2020-06-16 Enter once more the world of Roland Deschain—and the world of the Dark Tower...presented in this stunning fourth graphic novel of *The Drawing of the Three* story arc that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. "The man

in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers were introduced to Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Invisible Allies

Aleksandr Isaevich Solzhenitsyn
2014-10-13 After his

expulsion from Russia in 1974 for undermining the Communist regime, Solzhenitsyn wrote a secret record, while it was still fresh in his mind, of the courageous efforts of people who hid his writings and smuggled them to the West. Before the fall of Communism he could not have published Invisible Allies in conjunction with his memoir The Oak and the Calf without putting those friends in jeopardy. Now the facts may be revealed in this intimate account of the network of individuals who risked life and liberty to ensure that his works were concealed, circulated in "samizdat", and exported via illicit channels. These conspirators, often unknown to one another, shared a devotion to the dissident writer's work and a hatred of an oppressive regime of

ensorship and denunciation. The circle was varied enough to include scholars and fellow writers, and also elderly babushkas who acted as couriers. With tenderness, respect and humour, Solzhenitsyn speaks of these partners in conspiracy: the women who typed copies of his works under the noses of prying neighbours; the journalists and diplomats who covertly carried microfilms across borders; the friends who hid various drafts of his works from the vigilance of the secret police.

Crime Over Casco Walter Brown Gibson 1979
Boy's Life Robert McCammon 2011-10-18 An Alabama boy's innocence is shaken by murder and madness in the 1960s South in this novel by the New York Times–bestselling author of *Swan Song*. It's 1964 in idyllic Zephyr,

Alabama. People either work for the paper mill up the Tecumseh River, or for the local dairy. It's a simple life, but it stirs the impressionable imagination of twelve-year-old aspiring writer Cory Mackenson. He's certain he's sensed spirits whispering in the churchyard. He's heard of the weird bootleggers who lurk in the dark outside of town. He's seen a flood leave Main Street crawling with snakes. Cory thrills to all of it as only a young boy can. Then one morning, while accompanying his father on his milk route, he sees a car careen off the road and slowly sink into fathomless Saxon's Lake. His father dives into the icy water to rescue the driver, and finds a beaten corpse, naked and handcuffed to the steering wheel—a copper

Downloaded from live-careerwise.hosting.mydropwizard.com on August 11, 2022 by guest

wire tightened around the stranger's neck. In time, the townsfolk seem to forget all about the unsolved murder. But Cory and his father can't. Their search for the truth is a journey into a world where innocence and evil collide. What lies before them is the stuff of fear and awe, magic and madness, fantasy and reality. As Cory wades into the deep end of Zephyr and all its mysteries, he'll discover that while the pleasures of childish things fade away, growing up can be a strange and beautiful ride. "Strongly echoing the childhood-elegies of

King and Bradbury, and every bit their equal," Boy's Life, a winner of both the Bram Stoker and World Fantasy Awards, represents a brilliant blend of mystery and rich atmosphere, the finest work of one of today's most accomplished writers (Kirkus Reviews).

Nightmares & Dreamscapes
Stephen King 2017-10-31
Collection of 23 short stories--from classic horror to vampire thrillers, imitations of Sir Arthur Conan Doyle and Raymond Chandler, a teleplay, and a non-fiction bonus, a heartfelt little piece on Little League baseball.
