Comprehending as capably as pact even more than additional will provide each success. next-door to, the pronouncement as well as perspicacity of this **Mystical Union John Crowder** can be taken as well as picked to act.

Chosen for Paradise John Crowder 2014-12-15 Reframing Election in Romans 9-11. In the Incarnation, God has united the human race to Himself. The doctrine of election has confused theologians for centuries like a dog chasing its own tail. Does God choose us, or do we choose God? Some believe that our own striving human willpower must somehow conjure up and maintain our own salvation. But how can we ever be certain that we have believed deep enough? Is it really up to us to save ourselves? To depend on my own decision for God? Others believe salvation is God's sovereign business from start to finish. But what about those who don't believe? Did God choose some to fry in their own fat forever in Hell? What if God's predestination is not about choosing some for bliss and others for destruction? Following the lead of the great theologian Karl Barth, John Crowder explores the volatile passages of Romans 9-11 to shed new light on the debated topic of election. God is not choosing one human over another. Jesus Christ is the chosen, elected man on behalf of all humanity. And you are fully included in Him.

Disunity in Christ Christena Cleveland 2013-10-04 Despite Jesus' prayer that all Christians "be one," divisions have been epidemic in the body of Christ. Though we may think we know why this happens, Christena Cleveland says we probably don't. Learn the hidden reasons behind conflict and divisions, the unseen dynamics at work that tend to separate us from others. Here are the tools we need to build bridges.

The Sign and the Sacrifice Rowan Williams 2016-11-29 Rowan Williams, former Archbishop of Canterbury, presents the Gospel accounts of Jesus' crucifixion and resurrection as viewed through the eyes of those who witnessed them. The Sign and the Sacrifice explores the meaning of the cross and the significance of Christ's resurrection, discussing what these events meant to Jesus' followers in the early years and what they can say to us today.

The Dangerous Doctrine Saul Landau 2019-06-18 Ever since President Truman invoked the words "national security" to launch the U.S. side of the cold war, government officials have used the phrase to explain, justify, or excuse executive actions that were dubious, illegal, or, as Senator Sam Ervin said during the Watergate hearings, "on the windy side of the law." National security does not simp

Seven Spirits Burning John Crowder 2010-10-31

Word Made Flesh - Course Andre Rabe 2012 John 1:14 ... and the Word was made flesh ... In every religion and philosophy, word remains word - religion remains a theory and philosophy remains a guess. But in Jesus Christ, the Word is made flesh, reality is revealed - God's thought is concluded in human life. The ultimate destiny of the Word, was never a book or an institution, but the image and likeness of God displayed in human life! Both the content and the method in which the course is presented is aimed at this purpose: to inspire and ignite an understanding that will find expressing through our lives - the Word made flesh. This 25 week (6 month) course will explore the mystery that was hidden for ages and generation, but has now been revealed ... Christ in us, all we could ever have hoped for. See ginomai.org for more information.

Miracle Workers, Reformers and the New Mystics John Crowder 2006 **Miracle Workers, Reformers and the New Mystics** contains more than 70 photos, illustrations, and biographies of men and women whose lives have demonstrated the phenomenal throughout the ages. Let their stories inspire you to join their ranks as part of this coming revival generation. **You've GOT to Read This Book!** Jack Canfield 2009-10-13 There's nothing better than a book you can't put down—or better yet, a book you'll never forget. This book puts the power of transformational reading into your hands. Jack Canfield, cocreator of the bestselling *Chicken Soup for the Soul*® series, and self-actualization pioneer Gay Hendricks have invited notable people to share personal stories of books that changed their lives. What book shaped their outlook and habits? Helped them navigate rough seas? Spurred them to satisfaction and success? The contributors include Dave Barry, Stephen Covey, Malachy McCourt, Jacquelyn Mitchard, Mark Victor Hansen, John Gray, Christiane Northrup, Bernie Siegel, Craig Newmark, Michael E. Gerber, Lou Holtz, and Pat Williams, to name just a few. Their richly varied stories are poignant, energizing, and entertaining. Author and actor Malachy McCourt tells how a tattered biography of Gandhi, stumbled on in his youth, offered a shining example of true humility—and planted the seeds that would help support his sobriety decades later. Bestselling author and physician Bernie Siegel, M.D., tells how William Saroyan's *The Human Comedy* helped him realize that, in order to successfully treat his patients with life-threatening illnesses, "I had to help them live—not just prevent them from dying." Actress Catherine Oxenberg reveals how, at a life crossroads and struggling with bulimia, a

book taught her the transforming difference one person could make in the life of another—and why that person for her was Richard Burton. Rafe Esquith, the award-winning teacher whose inner-city students have performed Shakespeare all over the world, recounts his deep self-doubt in the midst of his success—and how reading *To Kill a Mockingbird* strengthened him to continue teaching. Beloved librarian and bestselling author Nancy Pearl writes how, at age ten, Robert Heinlein's science fiction book *Space Cadet* impressed on her the meaning of personal integrity and gave her a vision of world peace she'd never imagined possible. Two years later, she marched in her first civil rights demonstration and learned that there's always a way to make "a small contribution to intergalactic harmony." If you're looking for insight and illumination—or simply for that next great book to read—*You've Got to Read This Book!* has treasures in store for you.

The Rule of Faith Everett Ferguson 2015-07-28 The rule of faith was a summary of apostolic preaching and teaching made by writers of the early Christian centuries. As such it carries great importance for what the early church considered basic to its being and identity. It was not a fixed text, like a creed, but varied in wording and content according to circumstances. Yet, despite this flexibility and diversity, there is a clear Christ-centered, Trinitarian core at the heart of the rule shared by the early apostolic churches. In this short guide, Everett Ferguson introduces readers to the primary sources of our knowledge of the rule, the variety of ways in which ancient Christian authors spoke of the rule, and different scholarly attempts to interpret this ancient evidence. Ferguson argues that statements of the rule of faith were used to instruct new or potential converts, to combat false teachings, and to provide a framework for interpreting the Scriptures. He maintains that the rule retains considerable importance for churches of the twenty-first century.

Hyper-Grace D R Silva 2014-01-31 #1 Amazon Best Seller! In D. R. Silva's latest book, he once again challenges the giants of Christian tradition, confronting the popular assumptions, misconceptions and false accusations brought against the "the modern grace message." In this book, he tells you what is and isn't being said by those in today's "Grace movement," and answers some of the most common questions and concerns: Are followers in the "hyper-grace" movement really being told it's okay to sin and live immoral lives because we have grace? Do "hyper-grace" teachers believe that repentance and confession are has-been concepts only applicable under the Old Covenant? Do "hyper-grace" teachers hate the Law? Are they ignoring the words of Jesus? Or actually taking them seriously? Has God only forgiven your past sins, and left it completely up to you to get your future sins forgiven? Is this "doctrine" one step away from Universalism? In this short and practical book, you will get a basic understanding of the foundational ideas of "the modern Grace message." You will see that the "hyper-grace" teachings that are being opposed today are actually Biblical concepts found in scripture, and that

this is the same Gospel Paul preached and defended passionately. This book also provides many scriptures to prove that it's actually the popular church traditions of today that are leading people into sin and deception, causing them to fall from Grace and become separated from Christ. Like all of the great reformations in the past, we have once again reached a vital fork in the road where we must make the choice of whether we will desperately cling to our old traditions (which Jesus warned, "nullify the word of God"), or if we will actually "test everything" for ourselves and consider whether or not this is the gospel of good news that our traditions have kept hidden from us for so long. Where we choose to go next will have a tremendous impact on the future of the church and the world, for many generations to come. Let us choose wisely then, not coming to conclusions impulsively! In a time where "balance" has become a huge spiritual buzzword, don't be led astray by unbalanced claims and religious propaganda.

The Mystery of Christ-- and why We Don't Get it Robert Farrar Capon 1993 Looks at why individuals are not understanding the connection between Jesus Christ and their spiritual salvation

The Dawkins Delusion? Alister McGrath 2011-06-18 Alister McGrath and Joanna Collicutt McGrath present a reliable assessment of *The God Delusion* by Richard Dawkins, famed atheist and scientist, and the many questions this book raises—including, above all, the relevance of faith and the quest for meaning.

Cosmos Reborn John Crowder 2019-07 Take a grace-centered look at regeneration, the new creation and the new birth. Christ cured the human condition. John's new book explores the universal scope of the cross - if one died for all, then all died! "For God was in Christ reconciling the cosmos to Himself." He has woven humanity into His divinity! Dispel the myth of a dark, schizophrenic god of religion. This book makes a scandalous case that the Father of Jesus Christ is in a good mood. Need a religious detox? Have a dose of happy theology on the new creation! Good news to liberate your life ...Though we opposed Him as "enemies in our minds," God never set Himself against us as our enemy. Adam was breathed from the very life of God, and it has always been the Creator's intent to restore humanity to the bliss and immortality of its divine origin. In the incarnation, death and resurrection of Jesus Christ, God included you and absorbed the entire created order into Himself, bringing an end to decay and corruption. Mortality has been swallowed up by immortality.

African Musical Symbolism in Contemporary Perspective John Collins 2004 Since the turn of the century the world has been swept by a succession of Black American dance beats, from Ragtime to Rap - followed in recent years by the popular "world" music of Africa itself. This book examines why all this Black "roots" and ethnic music has become the dominant sound of our global age. The book 's first section, deals with the symbolic knowledge of Sub-Saharan Africa embedded in its music and traditional worldviews. Its second section examines how some areas of

recent scientific research have moved away from the mechanistic and deterministic ethos of industrialism towards relativistic, holistic, circular, and participatory ideas that are, surprisingly, in tune with the old African symbols discussed in the first section. In short, the old insights and musical wisdom of Africa and its Diaspora are helping provide the contemporary age with the means of harmonizing our heads and feet, mind and matter, inner and outer and generally putting breathing-space, play and "swing" into a materialist world. John Collins has been active in the Ghanaian/West African music scene since 1969 as a guitarist, band leader, music union activist, journalist and writer. He obtained his B.A. degree in sociology/archaeology from the University of Ghana in 1972 and his PhD in Ethnomusicology from SUNY Buffalo in 1994. He began teaching at the Music Department of the University of Ghana in 1995, obtained a Full Professorship there in 2002 and in 2003 became Head of Department. He is currently manager of Bokoor Recording Studio, chairman of the BAPMAF African Music Archives Foundation, a consultant for several Ghana music unions and coleader of the Local Dimension Highlife Band.

Systematic Theology Wayne A. Grudem 2009-05-18 The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling Systematic Theology has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

The Naked Gospel Andrew Farley 2009 I found myself lying on the floor of my apartment, sobbing for hours on end: "God, I'm doing everything I'm supposed to do, and I still don't feel closer to you. In fact, I feel worse than ever! How could this have gone wrong? I can't see any way out. Help me." As a university student, Andrew Farley found himself physically and emotionally addicted to street evangelism and Bible study. Yet despite his fervid behavior, he knew something was missing. That something was an understanding of the gospel that is stripped of the compromises and clichés of the modern church. The Naked Gospel finds friends among those who are burned out on experience-chasing, ceremonialism, or legalism. It attacks churchy jargon and powerless ideas and puts forth a message that is simple but life-changing. With a fresh take on Scripture and unapologetic style, The Naked Gospel will challenge you and stir you to re-examine everything you thought you already knew.

Biblical Literalism: A Gentile Heresy John Shelby Spong 2016-02-16 A global and pioneering leader of progressive Christianity and the bestselling author of Why Christianity Must Change or Die and Eternal Life explains

why a literal reading of the Gospels is actually heretical, and how this mistaken notion only entered the church once Gentiles had pushed out all the Jewish followers of Jesus. A man who has consciously and deliberately walked the path of Christ, John Shelby Spong has lived his entire life inside the Christian Church. In this profound and considered work, he offers a radical new way to look at the gospels today as he shows just how deeply Jewish the Christian Gospels are and how much they reflect the Jewish scriptures, history, and patterns of worship. Pulling back the layers of a long-standing Gentile ignorance, he reveals how the church's literal reading of the Bible is so far removed from these original Jewish authors' intent that it is an act of heresy. Using the Gospel of Matthew as a guide, Spong explores the Bible's literary and liturgical roots—its grounding in Jewish culture, symbols, icons, and storytelling tradition—to explain how the events of Jesus' life, including the virgin birth, the miracles, the details of the passion story, and the resurrection and ascension, would have been understood by both the Jewish authors of the various gospels and by the Jewish audiences for which they were originally written. Spong makes clear that it was only after the church became fully Gentile that readers of the Gospels took these stories to be factual, distorting their original meaning. In Biblical Literalism: A Gentile Heresy, Spong illuminates the gospels as never before and provides a better blueprint for the future than where the church's leaden and heretical reading of the story of Jesus has led us—one that allows the faithful to live inside the Christian story in the modern world.

Do Christians Still Have a Sinful Nature?

Gnostic Philosophy Tobias Churton 2005-01-25 An extensive examination of the history of gnosticism and how its philosophy has influenced the Western esoteric tradition • Explains how the Gnostic understanding of self-realization is embodied in the esoteric traditions of the Rosicrucians and Freemasons • Explores how gnosticism continues to influence contemporary spirituality • Shows gnosticism to be a philosophical key that helps spiritual seekers "remember" their higher selves Gnosticism was a contemporary of early Christianity, and its demise can be traced to Christianity's efforts to silence its teachings. The Gnostic message, however, was not destroyed but simply went underground. Starting with the first emergence of Gnosticism, the author shows how its influence extended from the teachings of neo-Platonists and the magical traditions of the Middle Ages to the beliefs and ideas of the Sufis, Jacob Böhme, Carl Jung, Rudolf Steiner, and the Rosicrucians and Freemasons. In the language of spiritual freemasonry, gnosis is the rejected stone necessary for the completion of the Temple, a Temple of a new cosmic understanding that today's heirs to Gnosticism continue to strive to create. The Gnostics believed that the universe embodies a ceaseless contest between opposing principles. Terrestrial life exhibits the struggle between good and evil, life and death, beauty and ugliness, and enlightenment and ignorance: gnosis and agnosis. The very nature of physical space and

time are obstacles to humanity's ability to remember its divine origins and recover its original unity with God. Thus the preeminent gnostic secret is that we are God in potential and the purpose of bona fide gnostic teaching is to return us to our godlike nature. Tobias Churton is a filmmaker and the founding editor of the magazine *Freemasonry Today*. He studied theology at Oxford University and created the award-winning documentary series and accompanying book *The Gnostics*, as well as several other films on Christian doctrine, mysticism, and magical folklore. He lives in England.

Money. Sex. Beer. God John Crowder 2019-07 A biblical companion to the happy life ... Learn how gnostic dualism invaded the early church, killed the party and taught you the world was evil. Exposing the lies of religious asceticism, John Crowder hits the controversial topics of cash, booze and nookie - stuff your pastor is scared to talk about!

Mystical Union John Crowder 2022-06-10 The gospel is a mystical message, based on an instant and effortless union with God achieved at Christ's cross. When you think of the cross, do you think of fun? If the answer is "no" then you have not been taught the cross aright. There is a delicious feast prepared for the believer. Nothing is more satisfying than the revelation of what Christ has conclusively accomplished for you. This book threatens to turn your Christianity upside down. No longer a struggle to please God -- the Truth will plunge you into a celebration of what He has done for you. With clear revelatory truths on the New Creation and the scandalous joys of the cross, *Mystical Union* promises to be one of John Crowder's most revolutionary, lifechanging works. The happy gospel of grace is about uninterrupted union with the Divine. This book lays out our most core beliefs. It promises to wreck your theology and cheer you up with undeniable Biblical truths on the free gift of perfection.

Blueprints to Union Brother Dominick 2016-12-03 Following in the Christian Mystical and Contemplative traditions of the teachings of the Desert Fathers, the Philokalia, and the Eastern Orthodox focus on Union, Theosis and Deification, Brother Dominick takes the reader through a set of five correspondences that lay out the way and methodology for the Union with God experience to manifest itself within and without. After over a decade of mystical transformations from the indwelling of the Holy Spirit, inner illumination by the blinding uncreated light, and various expeditions through the Dark Night of the Soul, Brother Dominick would eventually receive a set of Blueprints from a South African Christian Mystic Hermit which would help his odyssey into the manifestation of the Union with God experience. The Blueprints to Union eventually became a consolidation of the teachings of the Hermit and were in common with those of St, Francis of Assisi, Teresa of Avila, St. John of the Cross, Meister Eckhart, The Cloud of Unknowing, and various Mystics of Christian antiquity, all of whom had traversed the inner quest to finally sink into the Omnipresent Ocean of God. You are invited to partake in this Inner Journey, which is the birthright of the Soul. BrotherDominick.org

High on God Matt Spinks 2019-03-08 This book offers revelation, history,

and testimonies to usher the reader into a lifestyle of supernatural ecstatic experience through Jesus Christ.

Contemporary Perspectives on Religions in Africa and the African Diaspora Carolyn M. Jones Medine 2015-10-14 *Contemporary Perspectives on Religions in Africa and the African Diaspora* explores African derived religions in a globalized world. The volume focuses on the continent, on African identity in globalization, and on African religion in cultural change.

The Arminian Magazine 1781

Mystical Union John Crowder 2010-10-31

Master Keys to Union Brother Dominick 2019-03-19 Union with God, Theosis, Deification, Enlightenment, Mystical Grace all come to life in your Being and Experience if you have the proper relationship and understanding that God is already Omnipresently everywhere, all you need to do, is to get out of the way and let it happen. The Master Keys within this Book will show you how. Following in the Christian Mystical and Contemplative traditions of the teachings of the Desert Fathers, the Philokalia, and the Eastern Orthodox mysticism, Brother Dominick takes the reader through a journey of instructions that lay out the way and methodology for the Union with God experience to manifest itself within and without. After over a decade of mystical transformations from the indwelling of the Holy Spirit, illumination by the blinding uncreated light, and various expeditions through the Dark Night of the Soul, Brother Dominick would eventually receive a set of Master Keys from a South African Christian Mystic Hermit which would help his odyssey into the manifestation of the Union with God experience. The Master Keys eventually became a consolidation of the teachings of the Hermit and were in common with those of St, Francis of Assisi, Teresa of Avila, St. John of the Cross, Meister Eckhart, The Cloud of Unknowing, and various Mystics of Christian antiquity, all of whom had traversed the inner quest to finally sink into the Omnipresent Ocean of God. You are invited to partake in this Inner Journey, which is the birthright of the Soul. The collapsing of all dualities of the mind, resulting in the Nondual Oneness of God. BrotherDominick.org

The Evangelical Universalist Gregory MacDonald 2012-11-15 Can an orthodox Christian, committed to the historic faith of the Church and the authority of the Bible, be a universalist? Is it possible to believe that salvation is found only by grace, through faith in Christ, and yet to maintain that in the end all people will be saved? Can one believe passionately in mission if one does not think that anyone will be lost forever? Could universalism be consistent with the teachings of the Bible? In *The Evangelical Universalist* the author argues that the answer is 'yes!' to all of these questions. Weaving together philosophical, theological, and biblical considerations, he seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology.

The Book of Proverbs Ted Hildebrandt 2010-11-23

Why Study History? John Fea 2013-09-15 What is the purpose of studying history? How do we reflect on contemporary life from a historical perspective and can such reflection help us better understand ourselves, the world around us, and the God we worship and serve? In this introductory textbook, accomplished historian John Fea shows why Christians should study history, how faith is brought to bear on our understanding of the past, and how studying the past can help us more effectively love God and others. Deep historical thinking can relieve us of our narcissism; cultivate humility, hospitality, and love; and transform our lives more fully into the image of Jesus Christ.

Jensen's Survey of the Old Testament Irving L. Jensen 1978-06-01 A useful survey of the Old Testament that will aid in understanding difficult passages. This one volume contains all of Irving Jensen's Bible self-study guides to the Old Testament.

Hebrews-OE Francois Du Toit 2010-09-14 The Mirror Translation is a paraphrased translation from the original text. While strictly following the literal meaning of the original text, sentences have been constructed so that the larger meaning is continually emphasised by means of an expanded text. Some clarifying notes are included in brackets or at the end of the book. This is a paraphrased study rather than a literal translation. While the detailed shades of meaning of every Greek word has been closely studied, this is done taking into account the consistent context of the entire chapter within the wider epistle, and bearing in mind the full context of Jesus and his finished work, which is what the message of the Bible is all about.

The Fake Jesus: Fallen Angels Among Us Pamela Sheppard 2015-04-15 In 2007, the author received a revelation that compared the church to a condemned building. Pam was asked, "would you put up curtains at the windows of a condemned building?" With that revelation came the understanding that the organized church was judged 3 decades ago. Not believing this word, Pam set out to disprove it by doing a study of church history. She also reviewed various occult, new age websites of mediums or channels who have been communicating with beings who first identified themselves as UFO's and then ultimately called themselves "ascended masters." The Fake Jesus is a record of what Pam discovered once she tried the spirits to see if they be of God. This book will open your eyes to the truth as to "who the fallen angels are, who sent them, what is their agenda, and how to recognize if your church is under their influence. The hour is late. This book has traced that fallen angels have been among us since about 1830. Don't YOU be deceived by a fallen angel.

Grace, the Forbidden Gospel Andre van der Merwe 2011-03-29 If you've never been exposed to hearing the gospel preached by Paul the Apostle in its pure, undiluted form, this book might offend and possibly even anger you. The Gospel of Grace has been outlawed and frowned upon by most organized religious institutions. Take courage though, there is a generation

of believers rising up in the earth whose eyes are opening to the truth of the gospel of grace - a wave of people that has grown fed up with the way that church is done: Either good news is preached with some guilt and manipulation mixed in, or church services take the form of well orchestrated shows. Many believers' entire lives are reduced to nothing more than a sin management program, running the endless treadmill of trying to please God by doing more for Him or trying to sin less. If you have been raised with religion, then understanding the gospel of grace may involve unlearning most of what you have learned through the years. It may initially feel as though the carpet is being plucked from under your feet, but as the perfume of God's love rises and the truth of the Word begins to set you free, you will find yourself unable to resist the Father's romantic advances, drawing you into Himself for a deeper experience of who He is.

Hyper-Grace Michael L. Brown 2014-01-07 At a time when the church needs an urgent wake-up call and a fresh encounter with Jesus, the hyper-grace message is lulling many to sleep. Claiming to be a new revelation of grace, this teaching is gaining in popularity, but is it true? Or is the glorious truth of grace being polluted by errors, leading to backsliding, compromise, and even the abandonment of faith?

Simple Prayer Charlie Dawes 2017-08-29 Are we making prayer more complicated than it needs to be? Helping us pare down our words to their most elemental level, Charlie Dawes has identified simple—yet far from simplistic—prayers that unlock the mystery of conversing with God. By focusing our prayers, we can find new a way of connecting with God at a heart level that cannot be mastered with words alone.

The Universal Christ Richard Rohr 2019-03-05 NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-

provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

Black, Brown, & Beige Franklin Rosemont 2009-12-07 This collection documents the extensive participation of people of African descent in the international surrealist movement over the past 75 years.

Jesus according to the New Testament James D. G. Dunn 2019-01-03 New Testament scholar James D. G. Dunn has published his research on Christian origins in numerous commentaries, books, and essays. In this small, straightforward book designed especially for a lay audience, Dunn focuses his fifty-plus years of scholarship on elucidating the New Testament witness to Jesus, from Matthew to Revelation. Dunn's *Jesus according to the New Testament* constantly points back to the wonder of those first witnesses and greatly enriches our understanding of Jesus.

The Ecstasy of Loving God John Crowder 2018-12-01 Ecstasy, or extasis,

is the Greek term for trance, and is linked with a pleasurable, God-given state of out-of-body experience recorded throughout the New Testament and the church age. Starting with the apostles' ecstatic experiences on Pentecost, the Book of Acts further records trances in the lives of Peter and Paul. From the early church to the Christian mystics of the Middle Ages and the famous revivalists of centuries present, God's movements on the earth have always been marked by these supernatural experiences. In this book, John Crowder takes us on a journey from Old Testament ecstatic prophets such as Samuel and Elijah, to the future ecstasies who will usher in a massive wave of harvest Glory to the streets in these last days. God has always wanted a people who live in the Heavens, even as they walk on the Earth. And the world is hungry for the demonstration of a gospel of supernatural power that flows from a life of divine pleasure. More than a state of mind, you will see how the nature of God's ecstasy is found in the joy, bliss and inner raptures of His presence. In this book, you will be encouraged to drink from the river of His pleasure! (Ps. 36:8)
