Punk 57 Penelope Douglas 2016-10-18 From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Luster Raven Leilani 2020-08-04 AN INSTANT NEW YORK TIMES BESTSELLER A New York Times Notable Book of the Year WINNER of the NBCC John Leonard Prize, the Kirkus Prize, the Center for Fiction First Novel Prize, the Dylan Thomas Prize, and the VCU Cabell First Novelist Award One of Barack Obama's Favorite Books of 2020 A BEST BOOK OF THE YEAR: NPR, The New York Times Book Review, O Magazine, Vanity Fair, Los Angeles Times, Glamour, Shondaland, Boston Globe, and many more! "So delicious that it feels illicit . . . Raven Leilani's first novel reads like summer: sentences like ice that crackle or melt into a languorous drip; plot suddenly, wildly flying forward like a bike down a hill." —Jazmine Hughes, The New York Times Book Review No one wants what no one wants. And how do we even know what we want? How do we know we're ready to take it? Edie is stumbling her way through her twenties—sharing a subpar apartment in Bushwick, clocking in and out of her admin job, making a series of inappropriate sexual choices. She is also haltingly, fitfully giving heat and air to the art that simmers inside her. And then she meets Eric, a digital archivist with a family in New Jersey, including an autopsist wife who has agreed to an open marriage—with rules. As if navigating the constantly shifting landscapes of contemporary sexual manners and racial politics weren't hard enough, Edie finds herself unemployed and invited into Eric's home—though not by Eric. She becomes a hesitant ally to his wife and a de facto role model to his adopted daughter. Edie may be the only Black woman young Akila knows. Irresistibly unruly and strikingly beautiful, razor-sharp and slyly comic, sexually charged and utterly absorbing, Raven Leilani's *Luster* is a portrait of a young woman trying to make sense of

her life—her hunger, her anger—in a tumultuous era. It is also a haunting, aching description of how hard it is to believe in your own talent, and the unexpected influences that bring us into ourselves along the way. “An irreverent intergenerational tale of race and class that’s blisteringly smart and fan-yourself sexy.” —Michelle Hart, O: The Oprah Magazine

NurtureShock Po Bronson 2009-09-03 In a world of modern, involved, caring parents, why are so many kids aggressive and cruel? Where is intelligence hidden in the brain, and why does that matter? Why do cross-racial friendships decrease in schools that are more integrated? If 98% of kids think lying is morally wrong, then why do 98% of kids lie? What's the single most important thing that helps infants learn language? NurtureShock is a groundbreaking collaboration between award-winning science journalists Po Bronson and Ashley Merryman. They argue that when it comes to children, we've mistaken good intentions for good ideas. With impeccable storytelling and razor-sharp analysis, they demonstrate that many of modern society's strategies for nurturing children are in fact backfiring--because key twists in the science have been overlooked. Nothing like a parenting manual, the authors' work is an insightful exploration of themes and issues that transcend children's (and adults') lives.
