riveting true story of courage, strength, and football at the height of racial tension in Birmingham, Alabama, inspired the motion picture Woodlawn, and tells the story of Coach Tandy Gerelds, his running back Tony Nathan, and a high school football game that healed a city. Woodlawn is soon to be a major motion picture starring Jon Voight, Nic Bishop, and C. Thomas Howell. In the midst of violent, impassioned racial tensions in Birmingham, Alabama, new football coach, Tandy Gerelds, was struggling to create a winning football team at Woodlawn High School—one of the last schools in Birmingham to integrate. The team he was handed did not have the caliber of players he needed to win—until he saw Tony Nathan run. But Tony was African American and Coach Gerelds knew that putting him in as running back would be like drawing a target on his own back and the back of his soon-to-be star player. But Coach

Gerelds saw something in Tony, and he knew that his decision to let him play was about more than football. It was about doing what was right for the school...and the city. And soon, the only place in the city where blacks and whites got along was on Coach Gerelds's football team. With the help of a new school chaplain, Tony learned to look beyond himself and realized that there was more at stake than winning a game. In 1974, Coach Gerelds's interracial team made Alabama history drawing 42,000 fans into the stadium to watch them play. It was this game that triggered the unity and support of the Woodlawn High School Colonels and that finally allowed a city to heal and taught its citizens how to love.

author's own journey with two very special rabbits. In the spring of 2016, Peggotty and Benjamin were saved by Maine's Cottontail Cottage Rabbit Rescue after their previous owners had neglected them. But before the two Netherland Dwarf rabbits could be adopted, Cynthia had to help them learn to trust people and feel safe inside a home. The bunnies slowly settled in, enjoying their clean pens, nibbling new foods, and playing with fun toys, while Cindy's husband, John Bald, photographed Benjamin and Peggotty's every step toward adoption. At that time, hundreds of viewers were drawn to Cindy's Facebook page to watch their progress. Now, she has adapted the rabbits' true story into a picture book that explores love, responsibility, empathy, and letting go—along with fostering's many surprises, both big and small. Young readers will delight in watching these bunnies thrive while also

learning a few fun animal facts. With Cindy's pitch-perfect blend of warmth and real-life experience, *Borrowing Bunnies* is a new classic in narrative nonfiction.

The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her

family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Silence Between Us mixes lighthearted romance with deeper social issues facing minority groups. "The Silence Between Us is eminently un-put-down-able." (NPR) "Gervais deftly renders both the nuanced, everyday realities of life with disability and Maya's fierce pride in her Deafness,

delivering a vibrant story that will resonate with Deaf and hearing audiences alike." -?Booklist "A solid addition to middle/high school fiction that allows for deep discussion about stereotypes concerning disabilities."?School Library Journal "This is a great YA contemporary (clean) romance that follows Maya as she navigates a new school and plans for her future. The addition of representation by a Deaf character was really beautifully done. Highly recommend for people looking for a sweet, engaging, and educational romantic read." (YA and Kids Book Central)
