Principles and Practice in Second Language Acquisition Stephen D. Krashen 1982 The present volume examines the relationship between second language practice and what is known about the process of second language acquisition, summarising the current state of second language acquisition theory, drawing general conclusions about its application to methods and materials and describing what characteristics effective materials should have. The author concludes that a solution to language teaching lies not so much in expensive equipment, exotic new methods, or sophisticated language analysis, but rather in the full utilisation of the most important resources - native speakers of the language - in real communication.

Experiencias Diane Ceo-DiFrancesco 2019 "In Experiencias Intermediate, students follow Sofía, a 23-year-old heritage learner of Spanish from the U.S., who travels extensively. Like Daniel in Experiencias Beginning, Sofía introduces each

chapter's main strategy and shares her blog on the Spanish-speaking world. Through her video segments, Sofía poses questions to Spanish speakers and invites students to compare others' perspectives to their own. Guided by the ACTFL Proficiency Guidelines (2012), Experiencias concentrates on what students can realistically communicate after two to four semesters of classroom-based Spanish language instruction. Experiencias Beginning develops oral communication and literacy through a variety of authentic tasks. With the help of Experiencias Intermediate students continue to develop communicative competencies while also focusing on practical literacies, digital humanities, and job-related skills. The communicative nature of the tasks found in the book encourages students to begin using Spanish immediately in the classroom as they express their own personal meaning"--

This I Believe Carlos Fuentes 2007-12-18 In this masterly, deeply personal, and provocative book, the internationally renowned Mexican writer Carlos Fuentes, whose work has been called "a combination of Poe, Baudelaire, and Isak Dinesen" (Newsweek), steps back to survey the wellsprings of art and ideology, the events that have shaped our time, and his extraordinary life and fiercest passions. Arranged alphabetically from "Amore" to "Zurich," This I Believe takes us on a marvelous inner journey with a great writer. Fuentes ranges wide, from contradictions inherent in Latin American culture and politics to his long friendship with director Luis Buñuel. Along the way, we find reflection on the mixed curse and blessing of globalization; memories of a sexual initiation in Zurich; a fond tracing of a family tree heavy with poets, dreamers, and diplomats; evocations of the streets, cafés, and bedrooms of Washington, Paris, Santiago de Chile, Cambridge, Oaxaca, and New York; and a celebration of literary heroes including Balzac, Cervantes, Faulkner, Kafka, and Shakespeare. Throughout, Fuentes

captivates with the power of his intellect and his prose. Here, too, are vivid, often heartbreaking glimpses into his personal life. "Silvia" is a powerful love letter to his beloved wife. In "Children," Fuentes recalls the births of his daughters and the tragic death of his son; in "Cinema" he relives the magic of films such as Citizen Kane and The Wizard of Oz. Further extending his reach, he examines the collision between history and contemporary life in "Civil Society," "Left," and "Revolution." And he poignantly addresses the experiences we all hold in common as he grapples with beauty, death, freedom, God, and sex. By turns provocative and intimate, partisan and universal, this book is a brilliant summation of an international literary career. Revisiting the influences, commitments, readings, and insights of a lifetime, Fuentes has fashioned a magnificently coherent statement of his view of the world, reminding us once again why reading Fuentes is "like standing beneath the dome of the Sistine Chapel. . . . The breadth and enormity of this accomplishment is breathtaking" (The Denver Post).
