A Concise Guide to MLA Style and Documentation Thomas Fasano 2009 A CONCISE GUIDE TO MLA STYLE AND DOCUMENTATION is an affordable and classroom-tested resource that provides only the information students need most often and -- according to the author's own students -- is easier to use than the actual MLA Handbook. This edition incorporates several major changes from the new MLA Handbook, Seventh Edition. It also has a two-color design, a numbering system, and an index to help students find information quickly and easily. Here students will discover useful advice on gathering sources, compiling notes, summarizing, paraphrasing, quoting properly, and avoiding plagiarism.

A Guide to the New Mla Documentation Style Joseph F. Trimmer 1984-06-01 *A Guide to the MLA Style of Documentation, in a Nutshell* Michael Pringle 1998-10-01

A Concise Guide to Documentation Michael J. P. Larson 2012-02-01 The nuts and bolts of documentation for the three most popular systems--MLA, APA, and CMS (Chicago Manual of Style)--laid out in an exceptionally clear and easy-to-follow format. Why consult multiple (and often lengthy) style guides when you can see the three most widely-used methods, side by side, in this slim, focused volume by Larson? The book rightly divides the documentation process into two parts: In-Text Citation and Bibliographic Citation. Each part starts with a brief section on General Principles and then proceeds to give numerous common examples, where the exact same citation is seen three different ways, once each for MLA, APA, and CMS. And at the end of the book's second part are complete sample bibliographic pages for each of the three systems: a "Works Cited" page for MLA, a "References" page for APA, and a "Notes" page for CMS. This text is time and classroom-tested through Larson's long experience as an instructor of English at the college level. He knows what writers need to know about documentation, and he knows how to communicate that in the clearest, most efficient way. If you are looking for a simple, one-volume source on documentation to take you through your college years and beyond, this book might be the only one you'll ever need.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Guide to MLA Documentation Joseph F. Trimmer 2018-01-01 Briefer, more affordable, and easier to use than the MLA's own handbook, this popular guide features the current MLA standards and principles, new annotated examples, and an expanded guide to citing online resources. The guide also provides numerous examples, a sample research paper, and helpful hints on such topics as evaluating resources and avoiding plagiarism. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Writing the Research Paper Anthony C. Winkler 1985 WRITING THE RESEARCH PAPER'now with access to InfoTrac College Edition'is an easily accessible research guide that can be used by students throughout their college career and beyond.

The Freedmen's Book Lydia Maria Child 1866 SpanPublished in 1865 and edited by abolitionist L. Maria Child, The Freedmens Book was intended to be used to teach recently freed African Americans to read and to provide them with inspiration. Thirsting for education, Freedmen were eagerly enrolling in any schools that would accept them. Child saw a need for texts and provided one of collected stories and poems written by former slaves and noted abolitionists, herself included./span

Research and Documentation in the Digital Age with 2016 MLA Update

Diana Hacker 2016-08-01 THIS TITLE HAS BEEN UPDATED TO REFLECT THE 2016 MLA UPDATES! Our editorial team has updated this text based on content from *The MLA Handbook*, 8th Edition. Browse our catalog or contact your representative for a full listing of updated titles and packages, or to

request a custom ISBN. With thoroughly revised advice for finding, evaluating, and documenting sources, this handy spiral-bound booklet covers the essential information college students need for research assignments in more than 30 disciplines. New, up-to-date documentation models guide students as they cite common sources and newer sources — such as blogs, podcasts, online videos, and reposted Web content — in one of four documentation styles (MLA, APA, Chicago, and CSE). And new advice and examples help students engage in the research process, find entry points in debates, and develop their authority as researchers. The many examples, according to one college librarian, "are realistic and relevant." *Research and Documentation in the Digital Age* is the perfect companion to any college textbook.

The Wadsworth Guide to MLA Documentation Linda Smoak Schwartz 2004

A concise guide to the most commonly used kinds of MLA citations — now with the latest 2003 updates — brief enough to be used as a supplement to a handbook or literature anthology, yet comprehensive enough to address all of the documentation issues students might encounter.
